MINISTRY VALUES & GUIDELINES

1. Glorify God in all of our work.
2. Exemplify Godly character.
3. Value a positive attitude, speaking only words that edify one another.
4. Be teachable, willing to go the extra mile, and flexible.
5. Unity – team spirit working with each other and others in the Body of Christ.
6. Dignity, honor and respect towards all, and to those who are in authority.
7. Look ahead. If you see something that needs done, and it is within your sphere of influence, take care of it. If not sure, ask someone in authority.
8. Be punctual.
9. Please be tidy and modest in appearance –No low cut shirts, pants, spaghetti strap tops, etc.
10. Come prepared in advance. (Prayer & Fasting for example)
11. Expect corporate times of prayer together.
12. Please do not solicit others for your personal ministry – if applicable. It is our request that while you serve our ministry, your focus be on the area you are serving in for our venue.
13. We want to make sure our guests are always encouraged to reach into the Glory realm for themselves, not looking to any one person to do it for them - whether it be through prayer, or laying on of hands. *You may come into agreement with a short prayer with someone facilitating them to enter into the Glory realm to receive directly from God for themselves.*
14. On that note, we want to protect those who come to our venue so we ask that you refrain from praying & or prophesying over our guests. Also being watchful over our guests, with other guests, in this same respect. We ask that they refrain also with the same respect to our venue. *You may however, encourage and edify others with your words.*
15. Please have fun and enjoy each other, serving as unto the Lord!
